

*State of New Hampshire
By His Excellency
John Lynch, Governor
A Commendation*

CRANMORE MOUNTAIN RESORT

WHEREAS, Cranmore Mountain Resort is taking significant steps to reduce greenhouse gas emissions through the use of biodiesel fuel blends and through idling reduction programs; and

WHEREAS, Since 2004, Cranmore Mountain Resort's snow grooming equipment has been fueled with biodiesel, a domestic, cleaner-burning, renewable diesel fuel replacement; and

WHEREAS, Cranmore Mountain Resort has received national recognition for its biodiesel programs; and

WHEREAS, Cranmore Mountain Resort has taken a leadership role in promoting programs to address climate change; and

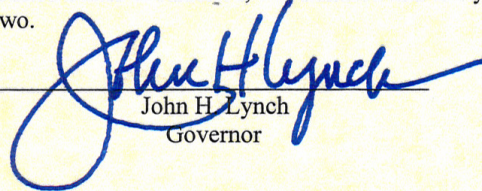

WHEREAS, Cranmore Mountain Resort is a member of the Granite State Clean Cities Coalition, a group of more than 70 stakeholders promoting the use of advanced technology and alternative fuel vehicles to increase our nation's energy security and reduce air pollution; and

WHEREAS, Cranmore Mountain Resort is continuing its leadership by becoming the first New Hampshire ski resort to support the Regional Greenhouse Gas Initiative in New Hampshire;

NOW, THEREFORE, I, JOHN H. LYNCH, GOVERNOR of the State of New Hampshire, do hereby commend **CRANMORE MOUNTAIN RESORT** for its leadership and initiative on climate change issues.

Given at the Executive Chamber in Concord, this 4th day of January, in the year of Our Lord two thousand and eight, and the independence of the United States of America, two hundred and thirty-two.

John H. Lynch
Governor
